C'est Classique

Being named Personality of the Year by the Canadian Italian Business & Professional Association is a profound honour that I receive with deep gratitude and humility.

To be recognized in this way is already meaningful, but knowing that I am only the eighth woman among 49 men to receive this distinction makes the moment even more significant. I accept it not only as a personal achievement, but as a symbol of what is possible when women lead with passion, resilience, courage, and conviction.

Throughout my journey, I have learned that success is never built alone. It is shaped by family, community, mentors, faith, hard work, and the willingness to keep going even when the path is not easy. I am proud of my Italian roots, proud of the values they have instilled in me, and proud to stand among those who continue to build, contribute, and inspire.

My hope is that this recognition serves as a reminder to every young man and woman, entrepreneur and every dreamer that there is room for you to rise, to lead, and to leave your mark. May we continue opening doors not only for ourselves, but for those who will come after us.

Thank you to CIBPA for this incredible honour. I accept it with gratitude, and with a renewed commitment to lead with purpose, to serve with heart, and to inspire others to believe that anything is possible.

Message du Président de la CIBPA

Créé en 1967, le Prix de la personnalité de l'année de la CIBPA Montréal reconnaît des femmes et des hommes d'exception dont le parcours professionnel, le leadership et l'engagement philanthropique laissent une empreinte durable sur notre communauté, notre ville et notre province.

Cette année, la CIBPA Montréal est fière de remettre cette distinction à Nancy Forlini, Personnalité of de l'année 2025.

Figure emblématique du marché immobilier montréalais, Nancy Forlini s'est imposée, au fil de près de quatre décennies, comme une leader visionnaire, une stratège respectée et une bâtisseuse d'équipes d'excellence. In a field where few women once held leadership roles, she rose to the highest levels, setting new standards of performance, credibility, and influence.

Prima donna in Québec a ricevere alcune delle più alte onorificenze internazionali del network RE/MAX, Nancy incarna la perseveranza, il coraggio e la capacità di trasformare il successo individuale in successo collettivo.

Deeply committed to her community, Nancy serves on the Boards of the Marie-Clarac Hospital and the Jean-Talon Street Business Development Society. She is a Governor of the Italian-Canadian Community Foundation, an Ambassador for the Santa Cabrini Hospital Foundation, and Co-President of "Chapeau, champagne et chocolat," an annual fundraising event dedicated to women's health.

Son engagement envers le mentorat, particulièrement auprès des femmes, ainsi que son implication communautaire et philanthropique, témoignent d'un leadership humain, durable et inspirant.

Complimenti e congratulazioni alla Personalità dell'Anno 2025, Nancy Forlini.

Message du Président de la Fondation CIBPA

I have been involved with CIBPA Montreal for more than 15 years and have witnessed the continued growth of the Association's role in our community. I was privileged to be President of the Association (CIBPA Montreal) from 2018-2020 and in 2025 was appointed President of the CIBPA Foundation that looks after our Bursary program – a jewel of our community.

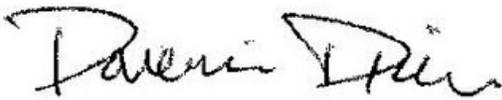

Last year the CIBPA Foundation celebrated 65 years of distributing bursaries ! A remarkable legacy that can only be possible with the help and support of many. We are grateful for the work that our Past President, Mr. Sam Scalia did during his mandate, and for the help of Franco Niro as our Ambassador during our 2025 campaign.

Thanks to a special group of visionary donors and the support of our community, the Endowment fund base has reached the first one million dollars. This secures funding for several bursaries each year. However, we must continue fund raising as student demand for financial support is increasing and we want to support the future leaders of our community and businesses.

The bursary program of CIBPA Montreal had a humble start with just 4 bursaries in 1961 and has since distributed on average about 60 per year with over 4 million dollars having been distributed to deserving students since its beginning.

We welcome more donors to join the generous group that already support us in preserving the longevity of this successful CIBPA program. Helping students of Italian origin achieve the success and prosperity they deserve is our mission.

Join me in congratulating Nancy Forlini as the CIBPA Montreal 2025 Person of the Year ! Nancy lends her leadership expertise to several community initiatives by being active on non-profit boards. Her core values include integrity, generosity, and commitment – a true role model for women in leadership. This award underlines and recognizes her involvement and dedication to the welfare of Quebec, Canada and the Italian Community. Congratulations to Nancy Forlini from the CIBPA Foundation staff and board of directors !

SÉNAT | SENATE

Chers amis, dear friends, cari amici,

Une fois de plus, l'Association des gens d'affaires et professionnels italo-canadiens de Montréal est fière de reconnaître les réalisations exceptionnelles de l'une de nos illustres membres de la communauté en lui décernant le prix de la Personne de l'année.

Depuis 1967, plus d'une cinquantaine de personnes ont reçu ce prix prestigieux. L'invitée d'honneur de cette année, Nancy Forlini, mérite sans aucun doute le prix de la Personne de l'année 2025 et s'ajoute à une liste impressionnante d'anciens récipiendaires.

Je connais Nancy depuis plusieurs années et j'ai eu le plaisir de collaborer avec elle sur divers projets et activités de collecte de fonds au fil des ans. Les réalisations professionnelles de Nancy au cours d'une carrière de près de quatre décennies sont bien connues dans le secteur immobilier.

Together with her husband Nick and their dedicated team at RE/MAX, she has built a business defined by professionalism, passion, and an unwavering commitment to clients. However, while we are proud of her contributions to our economy, tonight's recognition is about much more than business success.

Indeed, success carries with it a responsibility to give back — to lift others, strengthen our institutions, and help our community flourish. Nancy has been an active participant and advocate for various Italian organizations where she has always — and continues to — lend her time, energy, and voice to causes that advance our community and celebrate our heritage.

Congratulations, Nancy, and thank you for your countless contributions to our Italian-Canadian community and our society as a whole.

Finally, I wish to extend my gratitude to CIBPA Montréal for hosting another great event this evening and for continuing to be an important pillar in our community. We are stronger because of you.

Buona serata a tutti!

Prix Personnalité de l'Année

Depuis 1967 le projet **Personnalité de l'année** fut entamé dans le but de rendre hommage à une personne remarquable par son dévouement exceptionnel et aurait ainsi contribué largement au bien-être public.

Cette initiative ne se limite pas à une fonction ou à un domaine en particulier, mais considérant seulement la contribution du récipiendaire, quel que soit son champ d'action.

La CIBPA croit dans la valeur de ce projet et dans la nécessité de reconnaître les individus qui donnent au-delà de ce qui est ordinaire. La communauté doit donc prendre acte de leurs accomplissements. Le premier à avoir reçu cet hommage fut le maire de Montréal Jean Drapeau, en 1967, pour sa contribution au succès de l'EXPO '67.

Person of the Year Award

*The **Person of the Year** project originated in 1967 for the purpose of paying tribute to outstanding individuals for the exceptional dedication and tireless efforts in contributing towards the public's welfare. This initiative is not limited to a specific function or field, but the contribution of the recipient is seriously considered, whatever his field of action.*

CIBPA believes that this project is necessary to give evidence of public recognition to a meritorious person, as we know that self-devotion beyond the regular daily chores must be recognized by groups representing in part or as a whole the general public.

The first to be elected to this homage was Montreal Mayor Jean Drapeau, in 1967, for his contribution to the success of EXPO '67.
